

## Save the Whale Week *and*

*No need to run a marathon, jump from a plane or shave your head to raise funds for Save the Whale Week. Just enjoy a meal with friends!*

Setting up a Dinner 4 Good page:

1. Go to [www.dinner4good.com/wdcs](http://www.dinner4good.com/wdcs)

2. Enter Dinner details

Message text:

I'm holding a Dinner4Good in aid of WDCS's Save the Whale Week. Commercial whaling was banned on the 3rd February 1983, and to celebrate the greatest conservation victory of all time I'm throwing a party to raise funds for the Stop Whaling campaign.

Before the ban, entire species had been hunted to the brink of extinction and pressure is mounting for the ban to be lifted. Please give generously to this cause and help WDCS in its fight to stop whaling. ([www.wdcs.org/whaling](http://www.wdcs.org/whaling))

Dress Code: Anything goes as long as you have a red theme!

3. Enter Dinner Menu (whatever you like!)

4. Invite Friends (whoever you like!)

5. Preview your dinner invitation (last chance to amend anything!)

6. Send Invitations

Your dinner has now been created and your guests can go to your dinner page, accept your invitation and give a donation. I would recommend getting the ball rolling by making a donation of your own.
