

Fundraising at home

Remember the event you organise can be as big or as small as you like, the important thing is to have fun and raise as much money as you can! You might do it on your own or involve lots of family and friends; perhaps link your event to a whale and dolphin theme.

It would also be great to make your event as environmentally friendly as you can – where possible try to use recycled/recyclable materials!

Ideas to get your mind buzzing...

Sponsored activity – how about organising a sponsored swim, walk, skip, silence or cake bake and get sponsored by family and friends? You will find your sponsorship form in your pack.

Celebrate your birthday, Christmas or other special occasion by asking people to give a donation to WDCS, or buy you something from WDCS's online shop.

Backyard bring and buy – get together with some friends and ask for donations of clothes they've grown out of, books and other good quality bits n' bobs.

Here are some more ideas to get you started:
Sponsored cookie bake, Whale & dolphin quiz, Be sponsored to talk in 'clicks' like a dolphin, Walk your neighbour's dog for a week, Sponsored skip!

Case study Mollie and Lucy McVey

Molly and Lucy completed the Wee Scottish Walk in Aberdeen. Despite it raining the whole day, it didn't put the girls off and they managed to raise £47.50 – brilliant stuff! Would you like to follow their example and help whales and dolphins – raising money and having fun?

Prizes

Every single penny you raise will make a difference for whales and dolphins. It's great to have you helping us out and we would like to thank you by offering you special whale and dolphin goodies!

- 🐳 Everyone who raises money for WDCS will get a special written thank you and certificate to put up on your wall
- 🐳 If you raise £15 – £24.99 we will send you a whale and dolphin badge
- 🐳 If you raise £25 – £49.99 we will send you a cuddly dolphin
- 🐳 If you raise £50 – £149.99 we will send you a cool whale & dolphin stationery kit
- 🐳 If you raise £150 or more we send you a special WDCS rucksack

Case study Sarah Driscoll

Sarah did a sponsored coast to coast cycle ride for Save the Whale Week and raised £136!
