## Place a collection box

In your local veterinary practice, pet shop, cinema, theatre, leisure centre or local pub.

## Distribute our leaflets

If you can find outlets that are happy to display our leaflets and dispenser, then we can supply you with enough to distribute amongst them. Good places to ask could be anywhere that has a marine or animal connection – e.g. vets, pet shops, sailing clubs, chandleries, life saving clubs or environmental groups.

If you'd like more info on collection boxes or leaflets just call the Events Team on 01249 449500 or email [events@wdcs.org](mailto:events@wdcs.org).
